

TOUBKAL 4.167m

Toubkal 4167m ascent program, to the highest point in Atlas walking. (7days).

The ascent to the highest peak in Morocco 4167m walking.

Let yourself be enthralled by this exotic region; let yourself be led up Toubkal by professional guides. Visit the mysterious souk in Marrakesh with its snake-charmers; enjoy exceptional trekking only 2 hours by plane from Barcelona, Girona or Madrid.

In addition we have other ascents of Toubkal peaks around this massif, such as Akioud of 3900m, the 4015m of Ras n'Ouanoukrim or Imeghras of 3900m.

Organized by Xavi Llongueras
