

SKÍ-MOUNTAINEERING IN SUNNMORE ALPS. NORWAY

Ystetind, 1162m. Snaufjellet, 893m. Blaeja, 1420m.
Kopphornet, 1250m. Saudehornet, 1303m. ... and others!

Ski-mountaineering activity in Norway in the heart of the Sunnmore Alps. Majestic, wild and wonderful!!

The appeal of Norway is very simple: they say it is one of the most beautiful countries in the world.

You will enjoy an incredible ski touring stay in an impressive area, surrounded by fjords, and with the attraction of staying in some of the best hotels in the area.

The city where we will land, Alesund, is spectacularly located between small islands, where fjords and mountains meet the ocean. Here, the [Brosundet](#), [Storfjord](#), [Juvet](#) and [Sagafjord](#), hotels will offer us a different experience, and will make your stay a memory forever!

Come with us to ski in one of the most beautiful places on earth!

We can make customize your trip, and we can do it about how many days you want! Ask for a budget!
